Sixth Annual Ryan's Reindeer 5k Run/Walk December 17, 2011 8:30am

ON YOUR MARK…

SUPPORT LOCAL PROGRAMS THAT BENEFIT OUR COMMUNITY

Last year 707 runners and walkers participated

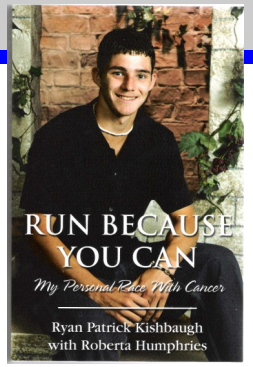
GET SET.....

Support local families dealing with the diagnosis of cancer.

GO.....

Help support charities that provide services to children in need.

Please do it for me.



"Use your life to make a difference. Each person we help, it is a small step in making the world a better place. Open your eyes to that, and to the beauty of life. Don't waste it. You'll never get a second chance. None of us do. So do a favor for me and whatever you're doing today, just go out and RUN, somewhere, anywhere, just RUN because you can." RPK

(written 3 days after Ryan received his bone marrow transplant)

Proceeds from the run benefit The Ryan P. Kishbaugh Memorial Foundation, and other charities providing services to children and cancer patients.
Last year $11,000 went to 4 different organizations providing services to cancer patients and children.
