Please do it for me.

*“Use your life to make a
difference. Each person we
help, it is a small step in
making the world a better place.
Open your eyes to that, and to
the beauty of life. Don’t waste
it. You’ll never get a second
chance. None of us do.
So do a favor for me and
whatever you’re doing today,
just go out and RUN,
somewhere, anywhere, just
RUN because you can.” RPK*
